

Office of Human Resources
IT Director Senior - CI3033
THIS IS A PUBLIC DOCUMENT

General Statement of Duties

Directs an information technology (IT) operations division that has two or more distinguishably different functional areas that include developing annual and multi-year work plans and strategies, ensures resources are available to achieve work plans, resolves complex business issues, and establishes management practices and processes that ensure the accomplishment of performance standards, annual goals and strategic initiatives.

Distinguishing Characteristics

There are five classifications in the IT management series: IT Manager, IT Manager Senior, IT Director, IT Director, Senior and IT Executive.

The IT Director Senior is distinguished from the IT Manager, which supervises information technology professionals responsible for developing and maintaining technology infrastructure or services while managing the daily activities of an information technology work group. The IT Manager also provides technical expertise and leadership in the development, implementation, and evaluation of technology solutions.

The IT Director Senior is distinguished from the IT Manager Senior which manages an information technology (IT) operation that includes implementing work plans based on annual goals and the strategic plan; resolves citizen, operational, and management issues; and achieves goals while ensuring resources are utilized appropriately.

The IT Director Senior is distinguished from the IT Director, which directs one or more information technology (IT) operations that include developing annual and multiyear work plans and strategies, ensures resources are available to achieve work plans, resolves complex business issues, and establishes management practices and processes that ensure the accomplishment of performance standards. The IT Director is a midlevel management classification.

Finally, the IT Director is distinguished from the IT Executive, which directs multiple information technology (IT) operations within a division or department that include establishing a multi-year vision and strategic plan, optimizing resource allocations, and ensuring the organization accomplishes annual goals and strategic initiatives.

Essential Duties

Directs a division of IT that has distinguishable different functional areas by managing professional level managers, directors, and employees and operational managers, directors, and employees.

Develops annual and multi-year work plans and strategies to meet business needs. Develops and directs the implementation of goals, objectives, policies, procedures, and work standards to ensure success.

Communicates business and work area plans and goals to directors, managers, and/or supervisors to secure buy-in. Reviews, approves, and implements recommended changes to plans and leads the development of process and/or operational improvements.

Prioritizes and allocates resources to achieve strategies. Utilizes resources to develop or expand IT services and/or operation. Ensures resources are utilized appropriately and do not exceed the established budget without approval.

Creates and administers policies and integrates work group procedures across work areas for consistency.

Resolves sensitive, controversial issues by making decisions that are inclusive of multiple perspectives.

Represents the division/department in meetings with elected and/or appointed officials and other city entities. Serves as the IT representative with a variety of public, business, and community organizations. Fosters collaborative relationships to the benefit of the organization.

Reviews and approves IT performance metrics established by supervisors/managers. Assists staff in the achievement of performance standards while identifying opportunities for continual improvement.

Resolves escalated employee or citizen complaints including long-term resolutions in problem areas.

Selects, trains, develops, and evaluates subordinate staff. Makes decisions on hiring, terminations, promotions, and disciplinary actions as required.

Develops goals, documents performance, provides performance feedback and formally evaluates the work of the employee; provides reward and recognition for proper and efficient performance. Assists staff to achieve performance standards and identifies opportunities for continual improvement to performance standards.

Develops and monitors the budget and oversees financial well-being by analyzing cost effectiveness. Directs cost control activities.

Performs other related duties as assigned.

Employees may be re-deployed to work in other capacities in their own agencies or in other City agencies to support core functions of the City during a City-wide emergency declared by the Mayor.

Any one position may not include all of the duties listed. However, the allocation of positions will be determined by the amount of time spent in performing the essential duties listed above.

Competencies

Thinking Strategically - Thinks strategically and promotes best practices and leading-edge ideas.

Deciding and Initiating Action - Takes responsibility for actions, projects and people; makes quick, clear decisions which may include tough choices, after considering risks.

Delivering Results - Sets high standards for quality, quantity, and timelines. Focuses on customer needs and satisfaction. Consistently achieves project goals.

Persuading and Political Influence - Gains clear agreement and commitment from others by persuading, convincing and negotiating. Makes effective use of political processes to influence others.

Coaching - Provides others with clear direction, motivates, and empowers. Recruits staff of a high caliber and provides staff with development opportunities and coaching.
