*As with all design and construction projects schedule indicated above is an estimate only. Many factors can cause delays in the delivery of the project, and schedules are subject to change.

Brief project description

This project is primarily a courts replacement project focusing on renovating the current tennis and basketball court. Included in the rejuvenation of this area is the demo of an existing sandpit play area that is in poor condition. The secondary goal of this project is to improve the connectivity around the parameter of the park, starting at the parking lot.
